*8/1/08 – 9/30/08

ThinkPad SL only (machine types- 2738, 2743, and 2746)
Service compatibility varies by machine type. Part Numbers listed may not be compatible with all systems

Environmentally responsible...

ThinkPad SL earned an EPEAT Gold ratings on select models with LED Backlight displays, and a Silver rating on models with standard displays. All models are Energy Star 4.0 compliant
The Energy Star 4.0 label requires that when in idle mode SL models with discrete graphics consume less than 22W power, integrated graphics models less than 14W.
This means reduced energy costs and heat emissions, making the ThinkPad SL notebook a wise choice for your business and the environment

Lenovo ThinkPad TopSeller Notebooks

Lenovo ThinkPad TopSeller Notebooks

The **ultimate** business tool

ThinkPad notebooks set the standard for portable personal computing. From advanced processors and graphics to ultra thin designs and extra long battery life, there's a ThinkPad model for every business need

Lenovo X300- Quite possibly the perfect notebook pc

Advanced components on the Lenovo X300 ThinkPad include solid state storage drives and Backlight LED screens. The X300 also offers several wireless connectivity options including Wireless USB (UWB) and a Wireless WAN option that utilizes native GPS functionality built into the system. Style-wise, the X300 is closer to the size of an actual paper notebook and it offers numerous design features including a glossy bottom bezel, select illuminated buttons, and — for the first time in the X Series — an integrated camera option with stereo speakers.

Lenovo ThinkStation® WorkStations

Lenovo ThinkStation S10 includes the latest processing technologies, such as multiple-processor capability, for massive improvements in throughput and productivity. With support for OpenGL Graphics and huge amounts of ECC memory, they easily handle complex 3D applications and large volumes of data. Environmentally-friendly, they are proof that high performance and efficiency can coexist

- ThinkStation is especially well-suited for users in the CAD/CAM/CAE, Digital Content Creation, Engineering Design Automation, and Oil & Gas markets
- ThinkStation has been tested and certified on key workstation ISV applications
- Despite being a powerful workstation, ThinkStation offers an environmentally-conscious design

Software, Services and Options

For uninterrupted service, purchase warranty and service upgrades at time of system purchase.

ThinkPad Accidental Damage Protection provides you that added security of protecting your notebook investment from unplanned expenses caused by an accident under normal operating conditions such as a drop, electrical surge or spill. This type of accidental damage is not covered under the standard product warranty or extended warranty service plans.

The 2007 Office interface has undergone the most significant update in more than a decade! The 2007 Office suites provide an enhanced, intuitive design with improved features to help you get more out of the programs you use every day, such as Word®, Excel®, PowerPoint® and more.

- **Get better results faster**
- **Create great-looking documents quickly and easily**
- **See formatting changes before you make them**
- **Enjoy the protection of new security features**

Office 2007 suites provide an enhanced, intuitive design with improved features to help you get more out of the programs you use every day, such as Word®, Excel®, PowerPoint® and more.

Lenovo/ Microsoft Office Basic 2007 Media-less License Key
PN- 43R1528 List \$170.44

Lenovo/ Microsoft Office Small Business Edition 07 Media-less License Key
PN- 43R1534 List \$185.00

Lenovo/ Microsoft Office Pro 2007 Media-less License Key
PN- 43R1531 List \$315.44

Lenovo branded keys can be used with any Lenovo TopSeller system preloaded with Windows Vista or XP. All TopSeller systems come with a trial version of Microsoft Office 2007. Purchase of the media-less key allows the end user to activate Microsoft Office 2007 on their Lenovo system with no interruption in functionality

© Lenovo 2008. All rights reserved. Eligibility requirements and terms and conditions apply to the programs and incentives referenced. This summary does not change the terms of the Lenovo announcement letters for the programs and incentives. Refer to the program announcement letters for complete details. AVAILABILITY: All offers subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time, without notice. Lenovo is not responsible for photographic or typographic errors. *PRICING: does not include tax, shipping and handling or any recycling fees and is subject to change without notice. Reseller prices may vary. WARRANTY: For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC 27709, Attn: Dept. ZPYA/B676. Lenovo makes no representation or warranty regarding third-party products or services. FOOTNOTES: (1) MOBILE PROCESSORS: Power management reduces processor speed when in battery mode. (2) WIRELESS: 11a, 11b and 11g wireless are based on IEEE 802.11a, 802.11b and 802.11g, respectively. An adapter with 11a/b or 11a/b/g can communicate on either or any of these listed formats respectively; the actual connection will be based on the access point to which it connects. (3) INCLUDED SOFTWARE: may differ from its retail version (if available), and may not include user manuals or all program functionality. License agreements may apply. (4) HARD DISK DRIVE: GB=billion bytes. Accessible capacity is less; up to 4GB is service partition. (5) MEMORY: For PCs without a separate video card, memory supports both system and video. Accessible system memory is up to 64MB less than the amount stated, depending on video mode. (6) LIMITED WARRANTY: Support unrelated to a warranty issue may be subject to additional charges. TRADEMARKS: The following are trademarks of Lenovo: Lenovo, the Lenovo logo, ThinkCentre, ThinkPad and TopSeller. IBM and the IBM logo are registered trademarks of IBM and are used under license. Microsoft® and Windows are registered trademarks of Microsoft Corporation. Intel, Intel Centrino and Intel Core are trademarks of Intel Corporation. Other company, product and service names may be trademarks or service marks of others. Note: models pictured are for illustration purposes only. Product specifications may be modified at any time without notice. Information advertised has no contractual effect
